a Statement showing the total annual income of the temple is submitted, as directed.

The accuracy of figures under item No. 3 (amount of lease of the row of shops in front of the temple & the conversion of the compound into a Cart Stand Rs 1284/-) could not however, be stated with certainty as by the construction of 3 new shops in the compound of the temple the income from the Cart-Stand must have ceased or been appreciably reduced.

difference of any not likely to be appreciable as the income the Cart-Stand could not have been anything and it is to the new shops build that income of Rs 558 figured in 1907 would have been due

To the old scale of receipts, a sum of Rs 726/- owing thereon on 3 new shops at Rs 60-8-0 per mensem has been added. Subd. for orders.
